

Learn the Cross-step Waltz

New location with a large & beautiful dance studio!!

Learning the cross-step style will open up a whole new world of waltzing pleasure! This flowing and fun style is made to order for slow tempo waltzes. As with the traditional rotary waltz, the couple travels around the room, and additionally the cross-step style allows for graceful and creative variations. The skills learned will raise your overall dancing level.

This style has gained a following throughout the USA. To get a preview, see mostlywaltz.org for links to videos and other information.

Part 1: Cross-Step Style ~ Tuesdays: Feb 21, 28, March 6 ~ 7:30 – 8:30 pm

We'll teach the traveling basic with ample practice on the elements of the movements involved and partnering skills. Each class will include flourishes as time allows.

Part 2: Beyond the Basics ~ Tuesdays: March 13, 20, 27 ~ 7:30 – 8:30 pm

You'll learn intermediate level cross-step waltz flourishes & variations, including pivaloops, grapevines & pivots. Material will be useful for traditional waltzing, including transitioning between the two styles.
